COMPACT CAR

AVEO SAFETY FEATURES

Advanced dual-stage frontal air bags¹ and seat-mounted side-impact air bags¹ that provide added head and thorax protection are standard.

Air bag¹ deployment can cause serious injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained.

ROOM FOR FIVE AND MORE

Aveo's generous dimensions offer ample interior space – capable of accommodating passengers more than 6 feet tall in each of the five seating positions.

UPSCALE AVEO SEDAN FEATURES

Aveo customers will be pleased with unexpected features, such as a standard radio input jack for MP3 players, and an array of options ranging from a power sunroof and six-disc CD changer sound system to steering-wheel mounted audio controls.

11U Summit White

33U Bright Blue

52U Summer Yellow

54U Spicy Orange

71U Victory Red

87U Black

92U Cosmic Silver

DETAILED NOTES:

- Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with air bags. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more information. Head curtain air bags are designed to help reduce the risk of head and neck injuries to front and out-board rear-seat occupants during certain side-impact collisions.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- XM Satellite Radio is available only in the 48 contiguous United States. Service fees extra. Visit gm.xradio.com for more details.
- Cargo and load capacity limited by weight and distribution.

- Gross Vehicle Weight Rating (GVWR). When properly equipped, includes vehicle, passengers, cargo and equipment.
- Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. Cargo and load capacity limited by weight and distribution.
- Maximum Trailer Weight ratings are calculated assuming a base vehicle, except for options necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow.
- Fuel capacity is approximate.
- Tire Pressure Monitoring System does not apply to spare tire.
- Premium paint – available at extra cost.
- Navigation Systems – map coverage includes only the 48 contiguous United States and portions of Hawaii and Canada. Not available in Alaska, Puerto Rico and the Virgin Islands.

- RDS functions only where stations broadcast RDS information.
- Frontal Safety Rating – U.S. Government safety rating for both the driver and front seat passenger in the frontal crash test. Side Impact Safety Rating – U.S. Government safety rating for both the front and rear seats in the side impact crash test. Government star ratings are part of the National Highway Traffic Safety Administration (NHTSA) New Car Assessment Program.
- Use only GM approved wheel/tire combinations. See your GM dealer for more details.
